Experience

Literary Arts, Inc. | Portland, OR

Developer (PSU Senior Capstone Project)

Sept 2019 – March 2020

- Worked with team of 6 developers to build WordPress plugin for LitArts website. Extended website by adding “favorites” list to track upcoming events.
- Individually tasked with creating admin settings page and PDF export functionality.
- Assisted in user profile UI design and implementation.
- Actively reviewed PRs to squash bugs and improve code quality.

LAIKA Studios | Hillsboro, OR

Lead Data Wrangler

June 2016 – Nov 2018

- Monitored render farm. Identified, reported, and found solutions to rendering errors.
- Oversaw the integrity and safety of production data.
- Managed WordPress online store.
- Completed various photo/video editing projects, including new merchandise for the store.
- Facilitated theater reviews and screenings for department heads and VIPs.
- Produced marketing presentations for department heads.

Walters Cultural Arts Center - City of Hillsboro Parks & Rec | Hillsboro, OR

Facility Supervisor

Aug 2011 – June 2016

- Supervised weddings, parties, and other large-scale events. Actively communicated with the event planner to ensure event success.
- Provided A/V support for renters and troubleshoot technical issues.
- Provided administrative support – class registration, concert tickets and artwork sales, answered questions from patrons and media outlets.
- Created spreadsheets to track class registration data.
